

View Royal Out of School Care

Dear VROSC Families:

During the school year our center provides Before and After School care. In addition to these services, we offer care during Professional Development days at the school, as well as during any scheduled breaks (such as Winter Break and Spring Break). Included in this email is the registration information for our 2017/2018 school year.

How to Register:

1. An email will be sent out to all families announcing the registration date.
2. You can register via email, or sign up on the registration form located on the Parent Board at the Main Centre. Registrations will **not** be accepted if they are emailed before the registration start date .
For example, if registration begins on Thursday at 12:01 AM, emails timestamped as Wednesday 11:59 PM **will not be accepted**.
3. A sign-up sheet will also be posted at the Main Centre, at 7:15 a.m., the morning the registration opens.

FREQUENTLY ASKED QUESTIONS

Do I need to include anything in my email when I register?

Just your name, and the name of your child. We will do the rest!

When will I know if my child has a space during a pro day?

Whenever possible, we will open registration on a Thursday and the closing date will be the Monday (mid-day). Confirmation emails will be sent out by 5:45 p.m. on the date that registration closes. Families will receive a confirmation email advising them that their child has a space for the Pro D day they have registered for.

What happens if my child does not have a space?

Once we have filled all the available spaces for a Pro Day, we add families who still need care to a waitlist. If there are any changes or cancellations, we will contact families on the waitlist to offer them a space.

Do you ever cancel Pro Days?

If we do not have enough children registered, we may not be able to offer care. If we do not have enough staff available, we will not be able to offer care. If either scenario occurs, we will give families as much notice as possible and offer families the names of other recreation centers close to us.

Help! I didn't register for care right away and now the registration form isn't on the Parent Board. Can I still register for care?

Yes! Once the confirmation emails have been sent out, we remove the form from the board. Please contact our Team Leads or Manager for information about spaces.
